

Jan Berg Memorial Scholarship

JAN BERG was a long-time advocate of women in commercial real estate. An Iowa State University graduate, she began her professional life as a teacher in the Chariton and Des Moines school districts. She later worked in sales in the furnishings industry at Eldridge Co. and Pigott. In 1991, she began working in the commercial real estate industry, first at Crowley Mandelbaum and then at CBRE|Hubbell Commercial, where she began working in 2001 and became a vice president.

Jan specialized in all areas of commercial real estate, including office, industrial, land development, retail and multifamily. Jan was known in the industry for always teaching and mentoring. She worked on top-of-the-market deals, but never felt any deal was too small to help her clients.

Jan was a Certified Commercial Investment Member and belonged to the Society of Industrial and Office Realtors, at which she was on several committees. She also was an active member of CREW Iowa and Iowa Commercial Real Estate Association. She was named Downtown Broker of the Year in 2009, and in 2015 was named CoStar Power Broker – Office Leasing Transactions. Jan passed away in March 2020.

Jan paved the way for so many women in commercial real estate, and it is CREW Iowa's great honor to offer a scholarship in her name for a CREW Iowa member to attend the CREW Network Conference. See below for scholarship details. To apply for the scholarship, please complete this application and submit to crewiowa@crewiowa.org by APRIL 30TH. The recipient will be notified in May.

Jan Berg Memorial Scholarship

CREW Member Name:
